

Washington, April 12. 1838.

Dear Sir,

If it be not too much trouble, please cause the specimen in Mr. Ewing's letter to be tested, and let me know the result,

Yr. truly

John Sargent.

Doctor Patterson

Director of the Mint.

Washington

Hon. J.R. Patterson,  
Director of the Mint

Dear Sir,

If it be not too much trouble, please cause the specimens in Mr. Ewing's letter to be tested and tell me the results.

Yours truly,  
John Sergeant
